

Reading Partners – Los Angeles 2018-2019 End of Year Report

I am pleased to share with you the enclosed report on Focusing Philanthropy’s partnership with Reading Partners during the 2018-2019 school year. We are beyond thankful for your dedication to our work in Los Angeles. Your support is crucial in helping us serve high-need students in under-resourced schools. Enclosed is a snapshot of our accomplishments over the past year.

Your support allowed 399 K-4 students to receive more than 14,000 one-on-one, 45-minute tutoring sessions. Across our six Los Angeles school sites, we trained and continuously coached 740 community tutors to mentor children; following an Individualized Reading Plan based on regular assessments of students' strengths and literacy gaps.
